BUS 100 – UPDATE Prerequisite: ENGWR 51, or ESLR 310 and ESLW 310, with a grade of "C" or better; or placement through the assessment process.

BUS 498 – UDPATE Advisory: ENGWR 101 and ESLW 320

Page 129

ADD the following courses:

BUSTEC 360   Beginning Word Processing   1 Unit
Same As: CISA 300
Prerequisite: None
Advisory: BUSTEC 307.1 and CISC 300
Course Transferable to CSU
Hours: 18 hours LEC; 18 hours LAB
This course is designed to introduce students to the use of word processing programs. The course includes basic word processing operations: creating, editing, formatting, saving, retrieving, and printing text documents. Students should have access to a computer, the Internet, and some computer media such as a USB drive to store data files. Students must have an active Los Rios e-mail account. This course is not open to students who have completed CISA 300.

BUSTEC 363   Introduction to Electronic Spreadsheets   1 Unit
Same As: CISA 310
Prerequisite: None
Advisory: CISC 300 and MATH 20
Course Transferable to CSU
Hours: 18 hours LEC; 18 hours LAB
This course is designed to introduce the student to the use of spreadsheets with Microsoft Excel. The course will include designing a spreadsheet, developing formulas for accurate automatic calculations, using spreadsheet functions, producing charts, and developing "what-if" models based upon relative and absolute cell referencing. Students will apply mathematical concepts and skills. Students should have access to a computer, the Internet, and some computer media such as a USB drive to store data files. Students must have an active Los Rios e-mail account. This course is not open to students who have taken CISA 310.

CHEM 400 – ADD: C-ID CHEM 120S; Must also complete CHEM 401 to meet C-ID CHEM 120S requirement

CHEM 401 – ADD: C-ID CHEM 120S; Must also complete CHEM 401 to meet C-ID CHEM 120S requirement

CHEM 420 – ADD: C-ID CHEM 160S; Must also complete CHEM 421 to meet C-ID CHEM 160S requirement

CHEM 421 –

- ADD to course description: Students must purchase instructor produced supplements; Study guide for the approved lecture text; Stitch-bound, page-numbered laboratory notebook(s); model kit; American Chemical Society Study Guide for Organic Chemistry, approved safety goggles, gloves, gas chromatography syringe, a pair of approved safety goggles.
- ADD: C-ID CHEM 160S; Must also complete CHEM 420 to meet C-ID CHEM 160S requirement

Page 138

COMM 351 – ADD: Course transferable to UC

ADD the following course:

COMM 498   Work Experience in Communication and Media Studies   1-4 Units
Prerequisite: None
Advisory: ENGWR 101 and ESLW 320
Enrollment Limitation: Student must be in a paid or non-paid internship, volunteer opportunity or job related to career interests.
General Education: AA/AS Area III(b)
Course Transferable to CSU
Hours: 76 - 316 hours LAB
This course provides students with opportunities to develop marketable skills in preparation for employment or advancement within their current job. Course content will include understanding the application of education to the workforce; completing required forms which document the student's progress and hours spent at the work site; and developing workplace skills and competencies. During the semester, the student is required to attend a weekly orientation. Additionally, students must complete 75 hours of related paid work experience, or 60 hours of related unpaid work experience, for one unit. An additional 75 hours of related paid work experience or 60 hours of related unpaid work experience is required for each additional unit. The course may be taken four times for credit, when there is new or expanded learning on the job, for a maximum of 16 units. Students should have access to a computer, the Internet, and some computer media such as a USB drive to store data files. Online students must have an e-mail account. First time students are required to attend a weekly orientation and a final meeting. Returning participants are required to attend the first class meeting, a mid-semester meeting and a final meeting and may meet individually with the instructor as needed. This course may be taken up to four times when there are new or expanded learning objectives. Students may take up to 16 units total across all Work Experience course offerings. Only one Work Experience course may be taken per semester.
